

About Us

Through our holistic approach to collections management, UOVO has developed a new paradigm for the stewardship of the art, design, fashion, and archival collections that comprise our cultural legacy.

From climate-controlled storage to private viewing rooms, to transportation, packing, crating, and installation services, UOVO provides an array of storage options and innovative service and management solutions.

Each UOVO facility is purpose-designed and managed by a team of industry-leading experts dedicated to ensuring that works are safeguarded with the highest caliber of security, discretion, professionalism, and care. We are committed to finding customized solutions to best serve the needs of any collection.

Customized Storage

UOVO offers a range of temperature and climate-controlled storage options to accommodate collections of all sizes and contents:

- Private Rooms: Our in-house space planners can design a fully customized and maximally efficient private room to meet the needs of any collection.
- Concierge Storage: Our concierge storage has been optimized for storing everything from a single painting to monumental sculpture and is exclusively accessed and managed by our expert art technicians.
- Custom Options: At UOVO, we find solutions for collections whose requirements are complex and challenging.

Collection Services

We provide the highest quality services to accommodate the needs of each client and scale our approach to each collection, no matter how exacting the depth of service desired. Our services include:

- Installation
- Collections Management
- Transportation and Shipping
- Packing and Crating
- Viewings
