

We offer a range of services to accommodate the needs of each client and scale our approach to each collection.

Account Managers

Every client receives a dedicated account manager, serving as a single point of contact for all storage, services, payments and collection management projects.

Installation

Our experienced team of art handlers deliver museum-quality results in both public and private settings. We handle everything from a single painting, to a large traveling exhibition, to the installation of a monumental sculpture using specialized rigging equipment.

Shipping and Transportation

With unparalleled global fine art logistics experience, UOVO provides local, national and international shipping and transportation solutions for collections of any scale. All three UOVO facilities are TSA certified to screen cargo.

Packing and Crating

Our trained team will pack your objects using the highest-quality materials available and the industry's most advanced techniques.

Collection and Project Management

Drawing on our team's diverse range of experience, UOVO can advise on everything from conservation to complex moves, to database management, photography, and digitization.
