WINE

UOVO is the premier storage and logistics provider for art, fashion, wine, archives, and collectibles. Headquartered in New York with locations across the continental United States, UOVO is operated by a team of industry professionals. We deliver bespoke solutions to meet each client's specialized needs.

## Our Advantage

Founded by collectors who sought a new standard of storage and services, UOVO was designed for the sole purpose of safe-guarding collections. Our privately-owned, next-generation facilities are ideal for the long-term preservation of art, fashion, wine, design, archives, cultural artifacts, and rare objects. We offer a full range of services, including digital inventory management, private viewing galleries, transportation, installation, packing, and archival photography, to fulfill all our clients' logistics needs.

## Who We Serve

We are privileged to serve collectors, creators, stewards, purveyors, and archivists of the world's leading collections. We cater to all facets of the art, fashion, and wine industries through our individualized approach.

# UOVO

ART

With more than one million square feet of dedicated storage space across 11 locations, we offer custom storage solutions to accommodate all collections.

## PRIVATE ROOMS

Ideal for clients who prefer direct and frequent access to their works, our bespoke private rooms start as small as 50 square feet and are tailored to each client's discrete needs. Clients partner with our in-house designer to configure a customized plan with racking, lighting, flooring, and climate conditions best suited to their collection.

## CONCIERGE STORAGE

Concierge storage is a more cost-effective option for clients with fluctuating inventory or temporary storage needs. Concierge storage is exclusively accessed and managed by our expert technical team and tracked using UOVO's proprietary digital inventory management system.

## CLIMATE

UOVO facilities maintain optimal climate conditions with temperature and humidity control. We understand that each collection has its own requirements, which is why we've built out differentiated levels of climate options across our locations to allow for customization.

UOVO's facilities are superior by design and execution. All UOVO facilities feature 24/7 UL AA-rated security, emergency generators, and rigorous environmental monitoring to ensure the utmost protection of valuable objects. UOVO is a trusted vendor of the leading insurance firms.

# VIEWING GALLERIES

UOVO’s state-of-the-art viewing galleries range in size from 250 to 1,200 square feet and are available across our locations. Our private viewing galleries are secure, climate-controlled, and sound-insulated, offering elegant and pristine environments for a variety of purposes. Galleries are ideal for:

- Private viewings
- Photography shoots
- Conservation work
- Inventory cataloging

# PHOTOGRAPHY

We capture high-resolution images of art, fashion, design, cultural artifacts, and rare objects, be they of a single piece or an entire collection. As your single point of contact, we take care of everything from preparation to post-production. Images can be easily incorporated into our client portal to help digitize collections.

# TRANSPORTATION

UOVO can accommodate all local and national transportation needs and oversee international shipping requests. Our in-house fleet of specialty air-ride, climate-controlled vehicles includes a 48’ high-cube tractor trailer. All UOVO vehicles are equipped with Babaco alarm systems and GPS tracking.

# PACKING & CRATING

Our world-class technical team has decades of experience developing packing and crating solutions for artworks of all types. We offer a number of core crating options with endless customizations to meet your needs. Our dedicated Account Managers, expert craters, and crating partners will help manage your entire project from end to end.

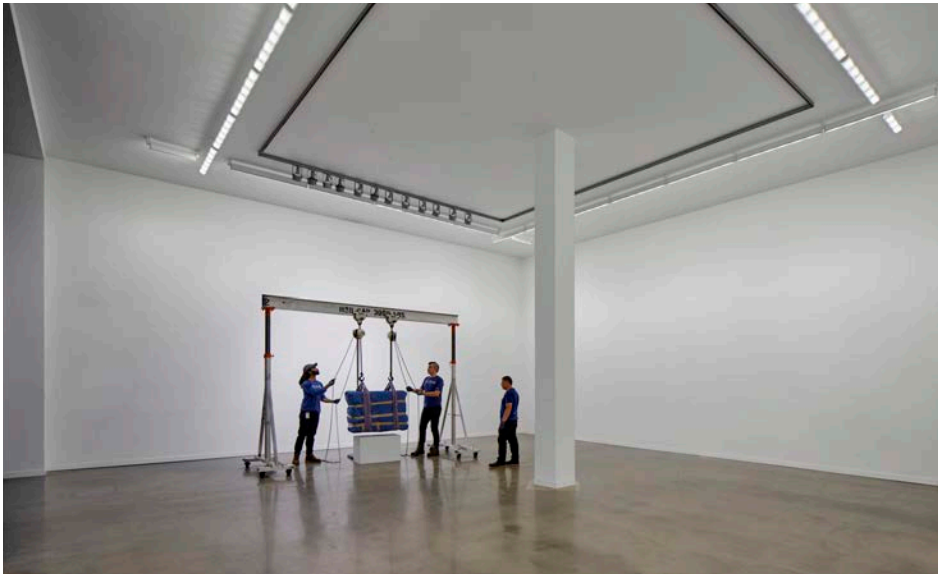

# INSTALLATION

Our expert team of art handlers produce museum-quality results in both public and private settings. We can install everything from a single painting to a large traveling exhibition to a monumental sculpture using specialized rigging equipment.

# COLLECTION & PROJECT MANAGEMENT

Drawing on our team's diverse range of experience, UOVO can advise on everything from art conservation to digitizing your collection. We can arrange all requisite art services, including inventory audit, condition reporting, and database creation. At UOVO, every client has access to a team of dedicated Account Managers to assist with all requests.

## OPTIONAL LOSS PROTECTION

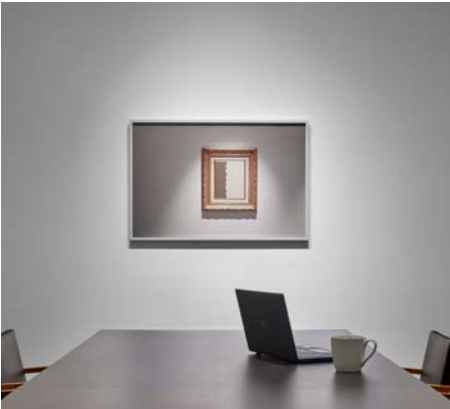

Our Optional Loss Protection (OLP) program protects your property against loss or damage while it is in our custody, either in storage at a UOVO facility or in transit while under our care and control. OLP can mitigate risk for clients who do not have a specialized fine art insurance policy or clients who wish to supplement their existing insurance by adding a layer of protection for the valued works in their collection.

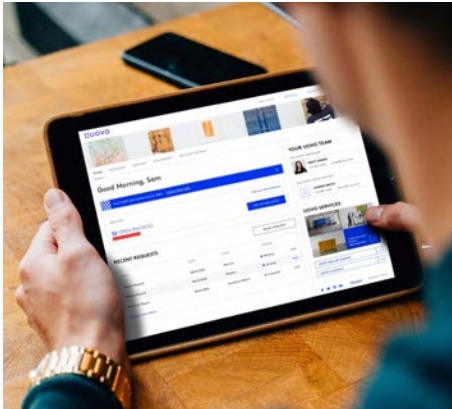

## ART FINANCE

UOVO offers flexible and competitive financing options for artworks with a proven market value of \$1 million to \$25 million with loans up to 50% of the work's Fair Market Value. Using artwork entrusted to our care, UOVO provides peace of mind by protecting works with the utmost security for the duration of the loan agreement.

## CLIENT PORTAL

Through our custom-built, exclusive-use portal, clients can manage their inventory, pay invoices, and make service requests all from one place. Supplemental to UOVO's dedicated Account Management team, our client portal facilitates a more efficient and seamless experience.

FASHION

UOVO's fashion division serves couture collectors, fashion enthusiasts, stylists, and designers through luxury wardrobe management. UOVO Fashion is the nation's first and only museum-quality couture wardrobe storage and preservation service.

# Fashion Services

LOS ANGELES

NEW YORK

WEST PALM BEACH

UOVO Fashion specializes in storing fashion collections, from personal wardrobes to legacy brand archives.

Our storage facilities are temperature-controlled, air-purified, and monitored to ensure the long-term preservation of textiles, garments, and accessories, as well as the prevention of material damage from pests.

UOVO will deliver desired garments in ready-to-wear condition and pick up off-season items, which frees up closet space year-round and ensures your off-season wardrobe will be in pristine condition.

At the start of each new season or upon request, clients are entitled to a seasonal wardrobe switch at no additional service cost.

# WARDROBE STORAGE & PRESERVATION

All items are prepared for storage utilizing archival materials and placed in facilities featuring the optimal climate for textile preservation. We specialize in the preservation of:

- Couture wardrobes
- Seasonal storage
- Wedding attire
- Accessories
- Footwear
- Fur

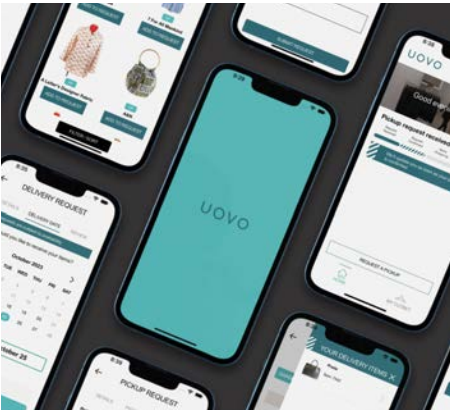

# TRAVEL & DELIVERY SERVICES

Our luggage-free wardrobe service is designed to let you travel light while we handle your baggage. Whether you're going on vacation, a business trip, or visiting a second home, UOVO Fashion's travel wardrobe and delivery services cover all your packing needs.

# DIGITAL WARDROBE MANAGEMENT

All UOVO Fashion clients have access to our MyCloset proprietary digital lookbook for viewing and managing wardrobe inventory. Fully customizable, MyCloset allows you to search, add your own tags and descriptions, and select garments for delivery as if you were shopping your own closet.

# INVENTORY & PHOTOGRAPHY

In addition to wardrobe storage and preservation services, UOVO Fashion provides professional photography of every item in our care for cataloging, archiving, and inventory purposes.

# SEASONAL WARDROBE STORAGE

Utilize UOVO's facilities as your endless closet for off-season clothing storage. We provide seasonal storage options and wardrobe switchouts, giving you space and helping to keep your closet organized, year-round. Clients receive complimentary pickup and delivery for a seasonal storage switch twice per year.

# WEDDING WARDROBE STORAGE

Preserve your cherished wedding garments with UOVO Fashion. Our state-of-the-art facilities ensure your pieces remain in pristine condition while our concierge services provide access and maintenance tailored to your needs.

# FASHION ARCHIVING SOLUTIONS

UOVO is uniquely equipped to handle fashion archives, ideal for designers and brands.
