Home page

The homepage provides you with 4 boxes from which you can access different areas of the client site. This can be the default login page if you choose it under Profile> Settings.

This page consists of the following:

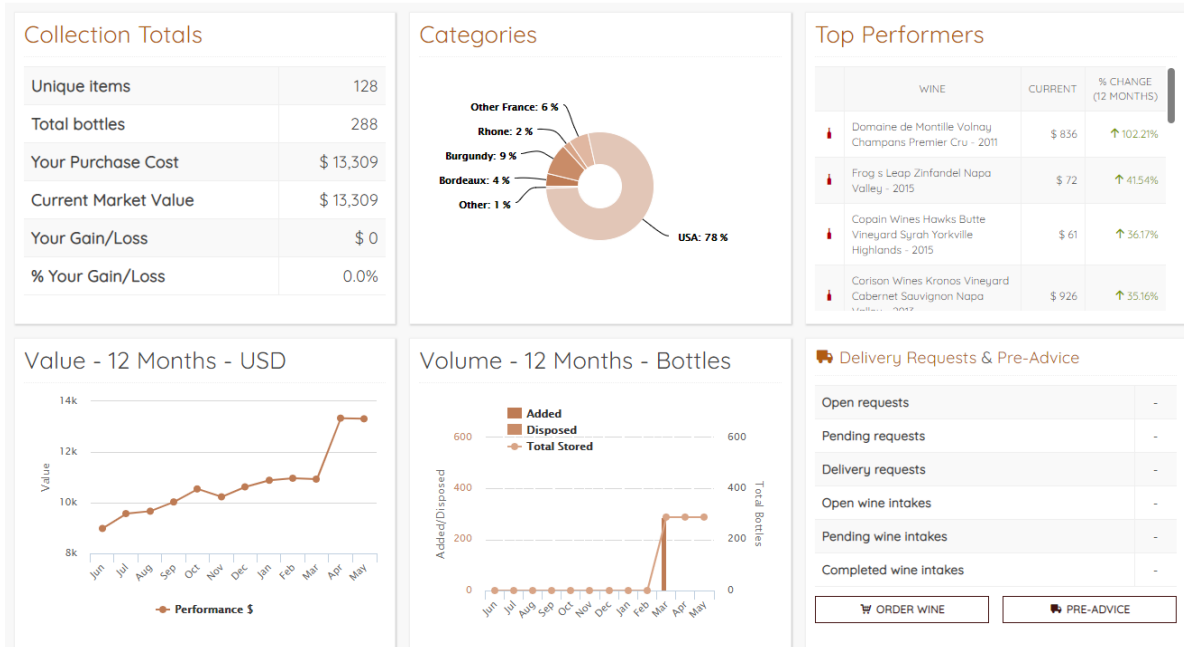

- Cellar Summary
 - Overview - Information on your collection for decision making
 - Portfolio Analysis - Break down of your holdings
- Collection
 - Your bottles - Full list of all your wines tracked on this platform
 - Add bottle - You can add wine into your cellar (only self managed cellar, eg. Home)
- Indices & Analysis
 - Indices - Compare with other wine indices and other financial markets spanning equities and commodities. You can compare any wine with an index
 - Relative Value Analysis - Compare wines in relation to the price per points as awarded by critics
- Buy, Sell & Advisory
 - Buy wines from Domaine
 - Contact Domaine to Offer wines for Sale

My Overview

This page provides you with aggregated information on your portfolio.

Overview

HELP

Your wine collection

- Unique wine entries - total different wines in your portfolio
- Total bottles - total bottles in your portfolio
- Total cost - total cost of all your wines
- Current value - current market value of your collection
- Gain/Loss - difference between your purchase price and current market situation
- Gain/Loss % - percentage of gain/loss of your wine collection
- Quick link to see all your wines stored in Domaine or in your home cellar

Categories

Overview of your wine portfolio by regions.

Delivery requests & Pre-advice

- Open requests - number of baskets open and not submitted yet
- Pending requests - submitted requests which has not been delivered/processed yet
- Delivery requests - Submitted delivery requests
- Open pre-advices - landing requests which has not been submitted yet
- Pending pre-advices - submitted pre-advices, awaiting for allocating/delivery to Domaine
- Landed wines - total number of “containers” which has arrived to Domaine

You can also request a Collection directly from the same drop-down.

To Domaine

For wine you would like to be stored at Domaine, use the Requests To Domaine Storage dropdown to request Domaine PickUp, or notify of pending delivery to Domaine.

The screenshot shows the top navigation bar of the Domaine website. The 'REQUESTS TO DOMAINE STORAGE' dropdown menu is open, showing options: 'REORDER BASKET', 'REQUEST DOMAINE PICKUP', 'NOTIFY US OF PENDING DELIVERY', and 'SEE COLLECTION REQUESTS'. Below the navigation is a search bar and a table of wine listings. The table has columns for WINE NAME, BARCODE, VINTAGE, SIZE (ML), BOTTLE QTY, FOR SALE, RATING, PURCHASE, STATUS, SELECT, and ACTION. Four wine entries are visible, each with a '+ SELL WINE' button and an 'ACTION' dropdown.

WINE NAME	BARCODE	VINTAGE	SIZE (ML)	BOTTLE QTY	FOR SALE	RATING	PURCHASE	STATUS	SELECT	ACTION
Marcassin Vineyard Chardonnay Sonoma Coast - 73 USA - California - North Coast - Sonoma County ready 2014 - 2025	BASI-00073	2011	750	3	+ SELL WINE		n/a		<input type="checkbox"/>	ACTION

The 'New container' form includes fields for: Received From, Customer Order #, Date Available, Notes, Purpose (Storage), Number of cases, Warehouse Location, Delivery method (DMN Pick up), and Carrier. An 'INFO' button is in the top right.

OR

The 'New container' form is identical to the one above, but the 'Delivery method' dropdown is set to '3rd Party - FedEx/UPS/DHL'.

Indices & stats

Indices

On this page you can view and compare wine indices against other wine indices or other financial indices.

View Indices

HELP

Domaine Storage runs a number of fine wine indices, with the goal of benchmarking to a representative basket of the world's greatest, most representative and most traded wines.

Once you have selected the wine index you wish to view, you will also be able to compare with other wine indices and other financial markets spanning equities and commodities.

From your wine portfolio, or tracking portfolio, you can compare any wine with an index (as well as other wines).

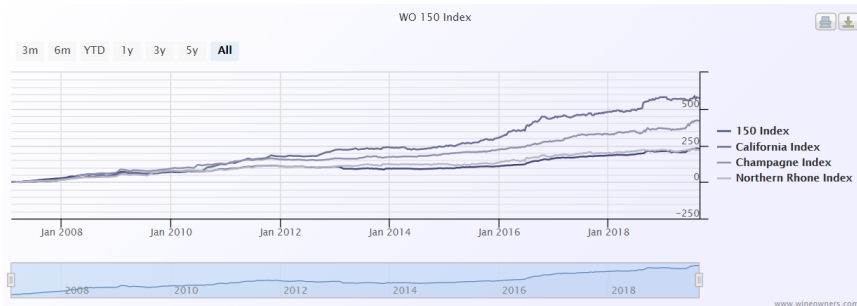

Select Main Index: 150 Index
