

UOVO is the nation's leading storage and services provider for art, fashion, wine, archives, and collectibles with state-of-the-art facilities across the United States.

Our downtown Los Angeles facility spans 100,000 square feet and features climate-controlled art storage, state-of-the-art viewing rooms, and an on-site client cafe. Purpose-built to preserve artworks, UOVO Los Angeles is constructed with best-in-class fire- and earthquake-resistant materials to ensure the security of your collection. Located at 130 South Myers Street, the facility is a concrete structure equipped with an on-site backup generator in the event of a power outage to maintain climate, security and all building management services. Additionally, all of our air handlers are equipped with MERV-13 filtration and recirculate air as opposed to pulling in outside air to ensure no smoke enters.
